Heterodoxies Society Incorporated
"Bringing Light to the People of this Nation"

HETERODOXIES SOCIETY INC, A SOCIETY OF FREE-THINKING NEW ZEALANDERS,
FILED A STATEMENT OF CLAIM IN THE AUCKLAND HIGH COURT ON 6TH AUGUST, 2021
THAT DEMONSTRATES THERE IS NO BASIS TO THE COVID-19 PANDEMIC

We, the heart-centred people of this Society, represent a broad cross-section of the NZ population

- We demand justice on behalf of all the voices that have been muffled and silenced
- We seek an end to the government's unlawful denial of our guaranteed rights and freedoms
- We seek answers to questions that remain unanswered
- We appeal for compassion, rationality and inclusiveness in a world that has lost its footing
- We offer safe harbour from the storm of fear and accusation that has divided our beautiful land

Follow our press releases and posts and visit our website for views that touch on the above, for information concerning our proceeding, and for membership application.

Please note that the Officers of Heterodoxies Society Inc. advise that a stolen draft copy of its statement of claim was published on 27 August 2021 by a NZ website without the knowledge or the authority of the officers of the society. The website was immediately ordered to take it down. The unauthorised published document is not the statement of claim filed in the Auckland High Court.
